PROFESSIONAL PROFILE

A dynamic, innovative and well-respected risk management consultant with two decades of experience delivering responsive, adaptable and insightful security services within HM Armed Forces, and as a private security contractor. Presenting a demonstrable track record of successful projects and relevant qualifications, a highly knowledgeable and astute professional who has gained repeat contracts with major security companies due to reputation, ability and performance. With a portfolio including international engagements for oil and gas companies, currently enacting safety and security requirements for Diplomatic services in Baghdad. Confident in hostile and complex scenarios, an effective and perceptive manager and leader, with strengths in training and development, and clear prominence as First Responder, controlling incidents and resolving situations with swift resolutions and acute procedural adherence.

COMPETENCIES

Security Risk Management Consultancy ▪ Security Policy Implementation ▪ Risk Assessment & Management ▪ First Aid ▪ Journey Management ▪ Close Management ▪ Leadership & Management ▪ Project Management ▪ Problem Resolution Personal Security ▪ Training & Mentoring ▪ Strategic Planning & Analysis ▪ Relationship Building ▪ International Projects

CAREER SUMMARY

 **Diplomatic Close Protection Officer** 2000 – Present
Security Company ▪ Middle East

KEY ACHIEVEMENTS

- Appointed to a Diplomatic contract, a highly sought-after position within the area and a post achieved against significant competition
- Gaining promotion to increased responsibility in recognition of previous performance within the organisation and on contracts for the wider security community

RESPONSIBILITIES

- Fully accountable for the planning and execution of all journey management in collaboration with the Close Protection Team (CPT) and the Regional Security Officer (RSO)
- Collaborating with clients in a highly professional manner prior to engagements, ensuring all eventualities are discussed for risk management purposes, and both parties are satisfied with the undertakings of the event
- Reliably delivering clear daily briefings to clients and the CPT, facilitating smooth implementation of daily plans and ensuring the safety of Diplomats across the Embassy within Baghdad
- Providing mobile security services as a Driver and Commander of a B7 Armoured Vehicle while transporting clients
- Coordinating and facilitating reconnaissance and liaison excursions to gather intelligence and inform route planning

 **Close Protection Officer ▪ Team Leader (SQRF) ▪ Medic** 2000 – 2000
Security Company ▪ Middle East

KEY ACHIEVEMENTS

- Completing extensive continuing professional development activities within the security field, achieving Distinction as an overall award level
- Successfully building a team of local Nationals equipped to support the security effort across the Oil Fields

RESPONSIBILITIES

- Assuredly managed the Quick Reaction Force Team, including coordinating all operational aspects, to secure the safety of company clients, and the Oil Fields as an asset
- Proactively led the Emergency Response as Incident Point Commander for all security issues, critical incidents, oil, water and gas leaks, RTI's and Fire incidents, requesting and coordinating additional agencies, and ensuring compliance with all protocols, regulations and best practice
- Clearly communicating with the operations room in a timely and precise manner for the duration of incidents; producing concise and informative incident reports as part of standard investigational procedures

 **Close Protection Officer ▪ Team Leader ▪ Tier 1 Medic** 2000 – 2000
Security Company ▪ Middle East

KEY ACHIEVEMENTS

- Adopted the role of First Responder, providing initial medical treatment at incidents for team members or clients

RESPONSIBILITIES

- Successfully provided daily close protection services ensuring the safety and security of clients across the Gas Company; conducting active security operations to protect the integrity of assets and business requirements across the site
- Confidently coached and developed the team of security professionals as Team Leader, ensuring increasing standards of performance and quality improvements in line with best practice
- Effectively managed security operations and coordinated assignments, including staffing, security planning, risk management and threat assessments

 **Close Protection Officer ▪ Team Leader ▪ Medic**
Security Company ▪ Middle East

2000 – 2000

KEY ACHIEVEMENTS

- Effectively transferred core values established within the military to a synonymous civilian role
- Proactively devised and implemented a Risk Management strategy to minimise the exposure of protection personnel and reduce the risk of violence in and around the Oil Fields
- Integral to the Armed Protection Team (APT) bus group, tasked with the safety of clients during transport on regular daily routes and weekly VIP airport commissions

RESPONSIBILITIES

- Built and nurtured sustainable relationships with local stakeholders and intermediaries to ensure the safety of clients while utilising transport routes
- Responsively planned and adapted transport routes and logistics in line with risk and threat levels, communicating effectively with wider teams at daily briefings and through interim methods between times
- Delivered excellent operational service to clients as a Quick Reaction Force Commander and Incident Commander, providing rapid responses to potential or perceived threats, resolving scenarios in a calm and composed manner
